

MEETING DIARY 2024

Updated: 28-FEB-2024 / **Version:** 2

DATES FOR THE MEETINGS OF THE 61508 ASSOCIATION

All members are welcome and expected at association general meetings or working group web meetings. Each member can send more than one representative as per the association rules. For working group work, a member can nominate any competent person to participate.

The general meetings are a combination of in-person and virtual, but the association philosophy is that we are a networking association, so in-person attendance is preferred. Please attend in-person when you can.

The general format of the general meetings is a mixture of paper presentations, association activities, discussions and working group sessions all considering functional safety.

The Working Group (WG) meeting is for those interested to enable discussion and progress for the active WG's. This can be a single big meeting for all WG's or separate slots for each WG. WG break-out sessions can also be held within a general meeting (typically July).

Date	Day	Type	Venue	Chair
17-Jan-2024	Wed	WGM	MS Teams @ 10:00 to 13:00	Coordinator
21-Feb-2024	Wed	MCM	MS Teams @ 10:00 to 11:30	Peter Brown

09-Oct-2024	Wed	MCM	MS Teams @ 10:00 to 11:30	Peter Brown
06-Nov-2024	Wed	AGM	Crowne Plaza Solihull, 61 Homer Rd, Solihull B91 3QD	Peter Brown

Meeting types:

MCM: Management Committee Meeting (attended online only by members of the management committee)

GM: General Meeting (attended by all T6A members and guests)

AGM: Annual General Meeting (attended by all T6A members and guests)

WGM: Working Group Meeting (attended online by all interested members)

NOTE 1: The July GM will contain a WG break-out session.

NOTE 2: Several officers' meetings are held throughout each year to support the management and coordination of our community.

Please feel free to feedback to the chair and coordinator on meeting locations.

We are looking forward to seeing you at the meetings.

Best regards.

Doug Longstaff & Peter Brown
Association Coordinator Association Chair
